

# Mitallee's summer of fun and awards

MITALLEE Youth Association's annual summer school project was a red hot success.

More than 200 enthusiastic youngsters took part in 50 different activities that both entertained and educated.

Workshops included first aid, child protection, radio broadcasting and proficiency, drugs and alcohol awareness,

team building, fire safety and interpersonal skills.

There was also a host of outdoor games, sports and recreational programmes as well as subsidised trips to Alton Towers, Aqua Splash and ice skating.

A unique fundraising project where young people sold cakes and other items made more

than £1,800 for East African drought victims.

The summer school was run by young volunteers with the support of a wide range of external agencies. It culminated in an award presentation ceremony attended by MPs Kelvin Hopkins and Gavin Shuker and the Mayor of Luton, Councillor Don Worthing.

## THE STORE
