

Club goes to Bangladesh

Special trip for association

A Luton youth club has returned from a fact-finding and football trip to Bangladesh.

Mitaltee Youth Association, based in Oak Road, took two years to raise over £8,000, which was added to a £1,000 grant from Luton Borough Council and £200 from Beds County Council.

Mr Ahmad said: "The trip was very, very successful and everybody enjoyed it." He said 99 per cent of the parents of Luton Bangladeshis originally came from Sylhet, another reason why the visitors found it so interesting.
